Work Experience

Procedure Communication Specialist Loan-In | Progressive JAN 2025 - PRESENT

- Migrated internal guidelines from the legacy KM System to Salesforce, updating content to adhere to modern accessibility and formatting standards.
- Researched and tested solutions to systemic formatting issues in Salesforce, developed and documented a standardized best practices guide adopted by the team to streamline workflows.
- Analyzed, consolidated and removed over 400 near-identical guidelines, decreasing average user search time and reducing workloads on future updates.

Senior Underwriting Specialist | Progressive JAN 2024 - DEC 2024

- Worked with relevant business units to research and investigate the acceptability and rate accuracy of new business and renewal insurance risks.
- Conducted interviews for policy verification processes and reviewed submitted documents for acceptability, making policy adjustments and underwriting decisions as needed.

Licensed USAA and Auto Sales Agent | Progressive JUNE 2022 - DEC 2023

- Worked with customers to customize auto and special lines insurance policies to fit individual needs, with a focus on writing accurate policies to promote growth and customer confidence.
- Mentored team on best practices through huddles and created a sales tracking spreadsheet to encourage continuous improvement, resulting in a 50% increase in our team's ranking.

Loan Relationship Specialist | Suncoast Credit Union JAN 2018 - JUNE 2021

- Assisted in launching the southern branch of our lending call center, including training, coaching and developing new loan representatives by creating learning and coaching plans to aid in the transition from services or teller positions.
- Analyzed credit reports and financial data to underwrite personal loan applications..
