Verbal and Written Communication • Agile Project Management
Documentation • Problem Solving • Critical Thinking • Risk Management
Attention to Detail • Knowledge Sharing • Collaboration

Work Experience

Senior Underwriting Specialist | Progressive

JAN 2024 - PRESENT

- Researching and investigating acceptability and rate accuracy of new and renewal insurance risks, logging and tracking policy issues related to quotes, policy verification, and claims.
- Conducting interviews for policy verification processes and reviewing submitted documents for acceptability, making policy adjustments and explaining underwriting decisions to customers.

Procedure Communication Specialist Loan-In | Progressive

JAN 2025 - JAN 2026

- Migrated internal guidelines from the legacy Knowledge Management System to Salesforce, updating content to adhere to modern accessibility standards.
- Researched and tested solutions to systemic formatting issues in Salesforce, developed and documented a standardized best practices guide adopted by the team to streamline workflows.
- Analyzed, consolidated, and removed over 400 near-identical guidelines, decreasing average user search time and reducing workloads on future updates, directly improving end-user experience.

Licensed USAA and Auto Sales Agent | Progressive

JUNE 2022 - DEC 2023

- Worked with customers to customize auto and special lines insurance policies to fit individual needs, consistently earning MVP and Elite ranking based on performance metrics.
- Mentored team on best practices through huddles and created a sales tracking spreadsheet that resulted in a 50% increase in our team's ranking, encouraging data-driven team improvement.

Loan Relationship Specialist | Suncoast Credit Union

JAN 2018 - JUNE 2021

- Assisted in launching the southern branch of the lending call center, including training, coaching and developing new loan representatives with structured learning and coaching plans.
- Analyzed credit reports and financial data to underwrite personal loan applications, using risk management and critical thinking to determine acceptability of lending risks.
